VOCATIONAL EDUCATION AND TRAINING

Vocational Education and Training (VET) is a term used to describe education and training...
arrangements designed to prepare people for work or to improve the knowledge and skills of people already employed in Australia.

The National Vocational Education and Training Regulator Act 2011 governs the registration of RTOs in Australia and has as its main objectives standards under the Australian Skills Quality Authority (ASQA) who exercises its responsibilities based on:

- A robust framework of legislation and standards
- A risk-assessment focus
- Active engagement with industry
- A rigorous audit methodology
- Fairness and transparency
- Promoting informed consumer choice
- Accountability
- Accessibility

**WORKPLACE HEALTH & SAFETY (WHS)**

The safety of students and team members is of paramount importance in all activities conducted by ACWE. ACWE observes WHS legislation. ACWE will inform students regarding WHS issues associated with their learning at the beginning of their course. This will include information regarding emergency exits and evacuation procedures from the building in which the training is being conducted.

Under the work health and safety (WHS) laws, effective from 1 January 2012, the term 'employers' was replaced by 'persons conducting a business or undertaking' (PCBU) and 'employees' was replaced by 'workers'. This also includes students within a workplace.

A PCBU conducts a business or undertaking alone or with others. The business or undertaking can operate for profit or not-for-profit. The definition of a PCBU focuses on the work arrangements and the relationships to carry out the work. In addition to employers, a PCBU can be a corporation, an association, a partnership or sole trader.

ACWE will inform students regarding WHS issues associated with their learning at the beginning of their course. This will include information regarding emergency exits and evacuation procedures from the building in which the training is being conducted.

Students have a duty of care and what is considered as ‘reasonable practicable’ to follow instructions for safe working practices, to work and behave in ways which are safe and without endangering the health and safety of others and/or damage to property.

Any accidents or damaged equipment must be reported immediately to an ACWE team member. Students requiring counselling or support are to discuss matters with their Trainer/Facilitator/Assessor in the first instance. The Trainer/Facilitator/Assessor will assist wherever possible. However, in the event further action is required or professional counselling appears necessary, they will refer the student to one of the Directors who will access appropriate...
personnel or recommend the services of an appropriate external organisation. Where counselling by external organisations incurs professional fees, payment of these fees will be the responsibility of the student.

WORKPLACE HARASSMENT, VICTIMISATION AND BULLYING

ACWE is a harassment and bully free workplace. This applies equally to team members, clients and students.

Harassment may include:

- Deliberate physical contact, displaying sexually graphic or offensive materials;
- Victimisation, bullying or destruction of personal belongings;
- Intimidation, abuse or indecent exposure;
- Persistent staring or rude gestures, obscene or threatening phone calls and letters.

ACWE ensures all training and day to day work practises occurs in an environment free of harassment, victimisation and bullying.

ANTI-DISCRIMINATION

ACWE will not support and/or accept any discriminatory behaviour.

Any student, client or team member connected with ACWE must not engage in discriminatory conduct. Students, clients and team members should be aware that under current legislation, individuals can be prosecuted and ordered to pay a substantial monetary penalty if found to have engaged in discriminatory behaviour.

WHAT IS ‘DISCRIMINATORY CONDUCT’?

Discrimination means treating someone unfairly because they belong to a group of people. It is illegal to discriminate against someone because of their sex, race, age, marital status, sexual preference, disability, transgender or trans-sexuality, responsibility as a carer or because of their relationship or association with someone else.

It is important to understand the difference between discrimination and equal employment opportunity (often referred to as EEO).

EEO is to ensure workplaces are free from all forms of unlawful discrimination and harassment. They provide programs to assist members of EEO groups to overcome past or present disadvantages.

This means having workplace rules, policies, practices and behaviours are fair and do not discriminate and/or disadvantage people because they belong to particular groups.
ACWE aims to create an environment where all team members and students are valued, respected, have opportunities to develop their full potential and pursue a career path of their choice.

RACIAL DISCRIMINATION
Racial discrimination is when a person is treated less favourably than another person in a similar situation because of their race, colour, descent, national or ethnic origin or immigrant status. For example, it would be ‘direct discrimination’ if a real estate agent refuses to rent a house to a person because they are of a different background or gender. It is also racial discrimination when there is a rule or policy that is the same for everyone yet has an unfair effect on people of a race, colour, descent, gender, nationality, ethnic origin or immigrant status. This is called ‘indirect discrimination’. For example, it may be indirect racial discrimination if a company policy states: workers must not wear hats or other headwear in the workplace, as this is likely to have an unfair effect on people whose racial/ethnic backgrounds requires covered headwear.

WHAT IS RACIAL HATRED OR RACIAL VILIFICATION?

Racial hatred (sometimes referred to as vilification) is stating or behaving in public in such a way it incites others to hold a negative view based on the race, colour, national, gender or ethnic origin of a person or group of people which is likely to offend, insult, humiliate or intimidate.

Examples of racial vilification may include:

- Racially offensive material on the internet, including webinars, blogs, social networking sites and video sharing sites
- Racially offensive comments or images in a newspaper, magazine or other publication such as a leaflet or flyer
- Racially offensive speeches at a public rally
- Racially abusive comments in a public place, such as a shop, workplace, park, on public transport or at school
- Racially abusive comments at sporting events by players, spectators, coaches or officials.

The Act protects against discrimination in many areas of public life, including:

- Employment – job interviews and recruitment, terms and conditions of employment, training, promotion, being dismissed
- Education – enrolling or studying in a course at a private or public school, college or university
- Accommodation – renting or buying a house or unit
- Obtaining or using services – such as banking and insurance services, services provided by government departments, transport or telecommunication services,
The Racial Discrimination Act covers situations where a person may feel, because of their gender and or race, you have been:

- refused employment
- dismissed
- denied a promotion, transfer or other employment-related benefits
- given less favourable terms or conditions of employment
- denied equal access to training opportunities
- selected for redundancy
- subject to harassment

EQUITY & EQUAL OPPORTUNITY

ACWE is committed to the development of a working and learning environment that embraces diversity and offers equality of opportunity to both team members and students. ACWE will endeavour to ensure equity principles are implemented through the fair allocation of resources and the right to equality of opportunity without discrimination. ACWE will also ensure all team members are committed to upholding the access and equity principles outlined in ACWE’s policies and procedures.

ACWE will endeavour to meet the needs of individual students through integration of access and equity guidelines in its policies and procedures. ACWE team members are responsible for ensuring students understand and implement access, equity and behave in a courteous, sensitive and non-discriminatory manner when dealing with students and other team members.

If you believe you have been treated unfairly in anyway, we ask you to please refer the matter to the Training Manager who will promptly investigate your concerns.

DISABILITY DISCRIMINATION

A disability is defined as 'a physical or mental impairment which has a substantial long-term adverse effect on the individual's ability to carry out day-to-day activities'.

The Disability Standards for Education (2005) ("the Standards") are formulated under the Disability Discrimination Act 1992 (Cwlth). The Standards clarify the obligations of education and training providers to ensure students with disabilities can access and participate in education and training on the same basis as those without disability.

The Standards outlines the process whereby education providers can meet their obligation, which
includes a requirement to make reasonable adjustments where necessary.

The process includes:

- consultation with the student;
- consideration of whether an adjustment is necessary;
- if an adjustment is necessary, identification of a reasonable adjustment;
- making the reasonable adjustment.

If an education provider complies with this process, then they have complied with the Standards, and it cannot be said to have discriminated. Even though education providers are required to make reasonable adjustments, they are exempted from making adjustments that would impose unjustifiable hardship on their organisation.

**ACCESS and EQUITY**

ACWE provides equal access to learning and delivery services for all students. Wherever possible, we conduct flexible learning to meet specific needs of individual students. The student enrolment form requires students to self-assess their level of English language capabilities and to indicate any special learning requirements and or support they may require. This includes their level computer literacy.

The learning support strategies used by Trainer/Facilitators/Assessors at ACWE include:

Course fees are available depending upon intending participant’s application:
- BSB42015 Certificate IV in Leadership and Management $3,500-$4500
- Courses are GST exempt unless otherwise noted.

REFUND POLICY
ACWE protects fees paid in advance and has a fair and reasonable refund policy. All fees paid in advance are separated from the operations of the business. This is achieved by maintaining an ACWE Pty Ltd account (deposit account) to ensure funds are always available for refund. The ACWE Pty Ltd is represented in the accounting system as a separate repository for funds paid in advance and cannot be accessed until the respective students commence training. ACWE operates predominately on a ‘fee for service’ training business. This means all training programs attract fees. These fees are paid by or charged to the client/student, a government agency or the client/student employer.

An application for a refund is addressed according to the notice given by the person making the request:

- Upon commencement of the course, it is understood and agreed there is no entitlement to any refund of the tuition fees or other charges paid to ACWE under the Contract and all outstanding payments will be fully paid by the client/student no later than the specified date.
- No refunds will be available after the course commences or up to 6 days prior to commencement.

- A refund in full will be given to students cancelling a course no less than 30 days prior to the course commencement.
- A refund of 50% will be given to students cancelling a course no less than 21 days prior to the course commencement.
- A refund of 25% will be given to students cancelling a course no less than 7 days prior to the course commencement.
- In cases of cancellation of a course by ACWE, a full refund will be given.
- A deferment of face to face training sessions is possible provided course fees owing at the time are paid in full. Any deferment must be applied for in writing at least 8 weeks prior to commencement of the determent. The granting of the deferment is not automatic and is at the discretion of ACWE. If approved, the deferment needs to be fulfilled within twelve months from enrolment.
- The student should note the deferment is for face to face classes only. The assessment delivery schedule is still expected to be completed within the original 12-month schedule. Additional conditions apply and are contained in the Student Handbook.
- Refunds in special circumstances will be considered on a case by case basis at the total discretion of ACWE.

ACWE may at its discretion, refund some or all course fees where it determines there are extenuating or compassionate circumstances. Where an incorrect eligibility assessment is made, and course fees have been received by ACWE, a full refund will be issued. ACWE reserves the right to amend these terms and conditions at any time to ensure compliance with applicable State and Federal laws.

TEACHING AND LEARNING METHODS
Inspire Influence Involve

Experts in Creating High Performing Workplace Culture Solutions

Our teaching methods include face-to-face seminars, webinars, googlehangout, workshops and conference, online learning materials, one-to-one coaching and mentoring, and SKYPE/ZOOM calls if/when required. All instructions are in English.

LEARNER SUPPORT AND REASONABLE ADJUSTMENT

The learning support strategies used by Trainer/Facilitators/Assessors at ACWE;

- Pre-teaching technical terminology
- Demonstrating procedures
- Providing opportunities for ‘hands-on’ experience and practice
- Ensuring individual support and advice to students
- Encouraging students to work at their own pace
- Providing written learning material

ACWE Trainer/Facilitators/Assessors are approachable, are able to identify and provide the relevant support and adjustment for students’ learning needs.

Delivery and assessment material are modified to suit individual learning needs to accommodate our diverse range of clients. This is undertaken by Trainer/Facilitators/Assessors in association with the Training Manager.

Students with learning difficulties beyond our areas of expertise are referred to external specialist agencies.

Any adjustments made must be ‘reasonable’ so they do not impose an unjustifiable hardship upon ACWE. If you feel you require an adjustment to assessment, please talk to your Trainer/Facilitator/Assessor or the Training Manager.

LEARNING DELIVERY AND ASSESSMENT SERVICES

ACWE (online learning management system) referred to as ACWE’s OLC is where all learning, assessment materials including templates can be accessed at any time by a student. Trainers and assessors will record all student activity in ACWE’s OLC. This includes SKYPE/ZOOM, telephone and email contact as well as receipt and judgment of assessment tasks. Students will have an up to date record of their progress throughout their course.

LEARNING DELIVERY

Learning delivered by ACWE meets national standards and requirements for registration as a registered training organisation. Each learning program has specific resource requirements for delivery. ACWE has in place a system for ensuring suitable resources are available prior to commencement.
Accredited training is delivered against competency standards and course outlines set by the Training Package requirements. Students are advised of the units of competence they are studying. Courses and programs delivered by ACWE are continually updated through industry consultation. This ensures clients/students, have access to current information and learning strategies.

Learning is delivered in group workshops, seminars, webinars and lectures, using online learning materials. This blended learning model and flexible delivery of learning strategies provides students with opportunities to select learning methods to best suit their needs.

ASSESSMENT

ACWE aims to ensure students successfully complete all aspects of the course within twelve to fifteen months. Students will be required to complete all set assessments and be marked as ‘Competent’ within 15 months from their course commencement.

FLEXIBLE LEARNING-ASSESSMENT

ACWE prides itself on its flexible learning and assessment procedures and can tailor its training and assessment to suit individuals’ needs. Flexibility allows for assessments in a variety of formal and informal ways. Flexible learning and assessment methods may be negotiated with individual students provided the validity and reliability of assessment decisions is assured.

Reasonable learning adjustments include such things as: ‘make up hours/ days’, video presentations, written material (eg to support dyslexic student’s needs), accommodation for different student learning styles/needs. Adjustments to assessment may also be made after considering the special characteristics of a student. Any adjustments made must be ‘reasonable’ so as not impose an unjustifiable hardship upon ACWE. If you feel you require an adjustment to assessment, please talk to your Trainer/Facilitator/Assessor or the Training Manager.

CONDUCT OF ASSESSMENT

ACWE conducts assessments in accordance with the Australian Quality Framework (AQF), assessment guidelines for Registered Training Organisations (RTO) and is competency based against the standards outlined in the relevant units of Competency for the nominated qualification.

- Assessment to determine the student’s training needs
- Assessment of performance at the end of the units
- Recognition of Prior Learning (RPL) or Recognition of Current Competency (RCC)

Assessments involve the collection of sufficient evidence to demonstrate a student’s competency level. This may include:
Assessment Methods may involve:

- Demonstrating your skills
- Participating in a simulation / role play
- Submitting project work or research assignments
- Producing examples of workplace practice
- Answering written and/or oral questions
- Participating in group discussions
- Developing a portfolio of work (evidence)
- Oral presentations to the group

The progressive assessments are recorded as ‘Satisfactory’ or ‘Unsatisfactory’. The final outcomes of assessment are awarded as ‘Competent’ or ‘Not Yet Competent’. In instances where students are awarded ‘Not Yet Competent’ a request for re-assessment can be made in writing. (See: Assessment Appeals).

During the program’s delivery, individual student’s assessment records are maintained by ACWE on their secured server within the ‘ACWE’s OLC’. Because of the flexible delivery options available, some units involve projects, assessment tasks and a range of other learning activities that are ‘clustered’. ACWE will provide written project and assessment outlines for these activities and indicate the due date for project/assessment task’s completion.

Evidence for assessment is required from both practical and theory perspectives. The assessment tasks relate to activities with the student’s workplace and involve the actual conditions faced in the workplace which will demonstrate the dimensions of competency required in task skills, task management skills, contingency management skills and the job role environment skills.
Demonstrated evidence from the workplace is required and will be relevant to the skills being assessed for competence. Collection and submission of sufficient evidence to demonstrate a student’s competence is required to meet the unit requirements. Where there is insufficient evidence a student will be requested to resubmit their assessment with the extra evidence requests.

A fee of $75 will be charged for each resubmission of evidence for a unit of competency. There is a maximum of three resubmissions, after which a student will need to re-enrol in the course and pay the appropriate course fee.

**ACWE’S OLC (ONLINE LEARNING MANAGEMENT SYSTEM)**

Students have access to all Learning and Assessment materials via ACWE’s OLC. All assessment tasks need to be submitted electronically and therefore typed or scanned into a computer. Generally, ACWE will not accept handwritten assignments except where student’s computer literacy skills prevents them typing. Assistance will be given to students to improve computer literacy, so they can access the ‘ACWE’s OLC’ and submit assessment tasks electronically.

Assessment tasks are to be submitted into ‘ACWE’s OLC’ for marking by the due date listed in the Training and Assessment Plan. Special arrangements for extensions are made available if a student is experiencing difficulty meeting timeframes. All requests for an extension must be in writing requesting an extension and nominating the revised submission date. Assessors provide feedback emailed to you via the ‘ACWE’s OLC’ and your personal/ work email. The competency sign-off sheet details outcomes of the assessment and any further evidence required to achieve ‘Competency’. Regular coaching sessions are available via telephone/ SKYPE/ZOOM to assist student’s progress.

**Please Note:**

a) Only one extension for each assessment task will be granted. If assessments are not received by due dates (or by requested extension date) students may be required to repeat the unit at an additional cost. If an extension is being requested on medical grounds, the medical certificate must accompany the request.

b) Students who defer after completing face to face workshops are still required to submit all pertaining assessments within initial specified due dates.

c) No extensions are provided for assessment tasks when a deferment has been granted.

d) Students who fail to respond to three consecutive requests for assessment tasks to be submitted will be sent a finalisation letter. If no response is forthcoming to that letter within 14 days, it will be assumed that the student has resigned from the course and their personal file will be closed and archived.
ASSESSMENT POLICY:

a. Assessments are to be completed and submitted electronically in ACWE’s OLC by the due date;

b. Assessments are marked within 28 days of the specified due date and students are advised by email of the outcome, recorded on an ACWE’s Evidence of Competency sign-off sheet whether “Competent” or “Not Yet Competent”. In instances where a student has submitted only part of an assessment of either ‘Satisfactory’ or ‘Unsatisfactory’ is recorded on ACWE’s Evidence of Competency sign-off sheet.

c. Where a result of “Not Yet Competent” has been awarded, students are advised of the requirements to be awarded a result of “Competent”;

d. Re-submitted assessments will be assessed and students advised by email of the result, as described in point b. above;

e. Once all assessment tasks have been received and assessed as “Competent” the Certification process will begin.

f. Students are encouraged to plan their study activities to ensure assessments are completed on time.

ASSESSMENT APPEALS POLICY

Any student can appeal against an academic decision or other procedural matters regarding assessment. Appeals will be accepted up to 14 days from the date an assessment result was received by the student. All appeal outcomes, including reasons for the decision will be communicated to the student in writing.

The appeal process is outlined:

1. In the first instance, students make an informal approach to their nominated ACWE Trainer/Facilitator/Assessor with any new evidence or clarification of existing evidence relating to the assessment.

2. Assessment will be reviewed having due regard to the submission and will be responded to in writing within 7 days.

3. Where the student remains dissatisfied with the decision, a request in writing is made to the Training Manager for an assessor who has not been involved in the original decision, to review the decision. This process may take up to 14 days and the student is advised in writing of the outcome.

4. If a student remains dissatisfied with the decision of the reviewing independent assessor a written request can be lodged with ACWE’s CEO for a final review of the assessment. The student is advised in writing of the outcome of the final review within 14 days.
5. If a student remains dissatisfied with ACWE CEO’s decision a formal complaint can be lodged under the Complaints Handling and Resolution Policy and Procedure with ASQA.
RECOGNITION OF PRIOR LEARNING (RPL)/ RECOGNITION OF CURRENT COMPETENCY (RCC)

Recognition of Prior Learning (RPL) / Recognition of Current Competency (RCC) are processes that assess a student’s prior formal or informal learning against the competencies or learning outcomes of a course/unit to provide partial or total credit.

To assess RPL/RCC, sufficient evidence must be provided by the applicant to identify their current experience, qualifications, skills and knowledge against the requirements of a course.

To apply for RPL/RCC, students complete an application form and prepare relevant documentation in the form of a Portfolio of Evidence submitted for review by a qualified assessor.

The student is notified whether their application for RPL/RCC has been successful or whether further assessment is needed. If further assessment is required, the procedures and requirements are explained. If RPL/RCC is not granted the student receives feedback and the appeal process is explained. A record of the RPL/RCC decision is signed by the assessor and the student and placed on the student’s records.

Applications for RPL/RCC are lodged with the student’s application for enrolment and the process is explained before a student’s enrolment is finalised. Due to the integrated nature of the course, RPL/RCC can only be granted for complete units of study. The cost of RPL/RCC is determined by course enrolment.

TO REQUEST RPL/RCC YOU ARE REQUIRED TO:

• Collect and complete the Request for Recognition of Prior Learning application pack from either ACWE’s website or administration office;
• Check student’s skills and knowledge for each unit of competency;
• Collect student’s evidence to demonstrate competence. The evidence must be valid (as described in the unit of competency), sufficient (enough), current (up-to-date) and authentic (your own work);
• List the types of evidence being submitted for each unit of competency;
• The student submits their portfolio of evidence and the RPL/RCC application to the Training Manager for assessment.
• In circumstances where the assessor requires further evidence before granting RPL/RCC the student may be provided with a challenge test.
• The student will be provided with a written report on the outcomes of their application for RPL/RCC. The student will be requested to counter sign the report. This report will be filed in the student’s personal file.
• Full payment of the fee for RPL/RCC must be receipted by ACWE before the issuing of the qualification and / or Statement of Attainment.

CREDIT TRANSFER POLICY
ACWE Pty Ltd recognises participants acquire vocational skills from a variety of different sources outside of formal training. These skills are valid, irrespective of how they were acquired. Credit Transfer is available to participants enrolling in any ACWE Pty Ltd course program. Credit Transfer involves the awarding of credit towards a qualification, granted to participants on the basis of outcomes gained through participation in courses with another RTO.

Intending participants who believe they have existing skills and knowledge included in ACWE Pty Ltd BSB42015 Certificate IV in Leadership and Management program are invited to apply at the time of enrolment to have their expertise assessed and, where appropriate, could have their particular training time reduced.

Participants can make an application for RPL at any time during their leadership training program. An RPL application pack is available from ACWE’s Compliance Manager.

RECOGNITION OF OTHER QUALIFICATIONS

ACWE recognises relevant qualifications issued by another RTO under the Australian Qualifications Framework (AQF). ACWE reserves the right to contact the issuing body to ensure authenticity. This is an ‘automatic’ recognition rather than going through an RPL process.

ACWE reserves the right to verify the authenticity of submitted documents as required and to determine the currency of the units of competency/modules indicated on the testamur.

Any qualifications and/or statements of attainment issued by another Registered Training Organisations are fully recognised by ACWE Pty Ltd. Where appropriate, these can be used to reduce a training program’s time being offered by ACWE Pty Ltd.

Participants seeking recognition for other qualifications are required to provide original certificates or certified copies to the Head Trainer or, in some cases, to the course trainer, who will make note of the qualification. This process is typically observed where participants produce a prerequisite qualification for an ACWE Pty Ltd course they are wishing to undertake.

QUALIFICATION ISSUE

Students are required to successfully complete the full course in which they are enrolled and meet all competencies relating to the required units of competency within the Nationally Recognised Training Package to receive the qualification.

If the entire course of study is not completed the student will be issued with a Statement of Attainment for the units of competency they have been successfully completed taken from the Nationally Recognised Training Package.

To receive a qualification or Statement of Attainment all assessments must be completed and a decision of competency is reached on the totality of work. The Compliance Manager completes all paperwork and requests a qualification issue. The CEO validates this request. The qualification or statement of attainment is issued as per AQF guidelines and is nationally endorsed and recognised.

CERTIFICATION PROCESS

1. Once all individual assessment tasks are submitted by the student and are marked as ‘Competent’ the student is notified by email.
2. Prior to the Certificate being generated a confirmation email will be forwarded to completing students to confirm their name on the qualification being awarded and their mailing address. This will be mailed to the nominated address provided within 4-6 weeks.

3. Australasian Centre for Work Education (ACWE) will issue students whom it has assessed as competent in accordance with the requirements of the Training Package or accredited course, a qualification or statement of attainment (as appropriate) that:

- meets the Australian Qualifications Framework (AQF) requirements
- identifies ACWE by its national provider number from training.gov.au
- includes the Nationally Recognised Training (NRT) logo in accordance with the current conditions of service.

LANGUAGE, LITERACY AND NUMERACY

At the time of enrolment all students asked to determine their literacy level. Some students may be provided with an LL&N assessment prior to their enrolment. This will determine the level of literacy requirements to ensure the student’s successful completion. Students are also requested to advise their nominated Trainer/Facilitator if additional LL&N skills are required.

Some examples of the type of support that we can offer include:

c) If a student changes their address and contact details at any time during their period of study, ACWE must advise us within 7 days.

STUDENT’S PERSONAL CONTACT DETAILS

ACWE requires each student to operate from their own individual / work email address. Please note assignments in most cases are only accepted via the ‘ACWE’s OLC’. This way ACWE can confirm receipt of all communications, as spam filters sometimes strip or delete emails. It is the responsibility of the student to contact ACWE if they do not receive a ‘read receipt’ within 24 hours of sending an email.

RECORDS MAINTENANCE

ACWE ensures each student has access to current and accurate records of their participation and progress via ‘ACWE’s OLC’.

PROCEDURE:

1. Upon enrolment, student details are recorded on the secure database within ‘ACWE’s OLC’.

**PROCEDURE IS AS FOLLOWS:**

**STEP 1:** A meeting is conducted with the student in question and a verbal warning issued. It is documented on the student discipline register, which the student counter signs. It is filed in the student records.

**STEP 3:** If a third meeting is required, the student will be given a written letter documenting the reasons for the disciplinary action (being suspended or expulsion) and will be asked to show just cause why their enrolment at ACWE should be continued. - ensure any student complaint is resolved promptly, objectively, with sensitivity and with complete confidentiality;
- set in place a complaints handling system to prevent complaints recurring;
- ensure consistency when handling complaints.

COMPLAINTS

A complaint can be defined as a student’s expression of dissatisfaction with an aspect of ACWE’s services.
A complaint may be a student expressing dissatisfaction with, amongst other things:

- the enrolment or induction process;
- the quality of training or assessment provided;
- access to their personal records;
- the way they were treated.

PROCEDURE:

There are four stages to be followed.

STAGE ONE:

All complaints are dealt with by ACWE’s representative, who will conduct, where necessary an investigation in an endeavour to resolve the complaint or implement a suggestion. The result of any investigation will be provided in a written report to the complainant as to the process taken to resolve the complaint. When necessary the response will detail any requirements for a formal interview, that is, when and where to attend.
STAGE TWO:

If the complaint remains unresolved, the complainant may appeal the decision, in writing, reached in Stage One to the CEO. The CEO will appoint a person not involved in the original decision to consult with the complainant and other relevant parties. Where possible such consultations will be face-to-face interviews, so the complainant has an opportunity to formally present their case. The complainant may ask another person to as a support / witness and accompany them to interviews.

The CEO’s appointee will endeavour to resolve the issue. Where the complaint is not resolved to the mutual satisfaction of all parties, the CEO’s Appointee will seek to identify with the Complainant a suitable mutually agreeable independent person or panel to resolve the issue.

STAGE THREE:

If the complaint remains unresolved after the decision of the CEO, there might be a need for an independent mediator. Contact information is available through the Administration Coordinator.

STAGE FOUR:

If the complaint remains unresolved after the decision of the independent person or panel, the final option to both parties is to seek the Assistance of ASQA. ASQA can be contacted on 1300 701 801.

More information (including the complaints form) can be found on: http://www.asqa.gov.au/complaints/making-a-complaint.html
